

AFFILIATE CONNECT APP

Available for Download Now!

Get instant access to everything you need to manage workorders from start to finish in one simple app:

- Receive assigned workorder alerts
- Accept or reject work in real-time
- Provide ETA for each workorder
- Check in and out of each job
- Take before and after photos in app
- Submit quotes for additional work
- Invoice automatically

WHAT DOES AFFILIATE CONNECT DO FOR YOU?

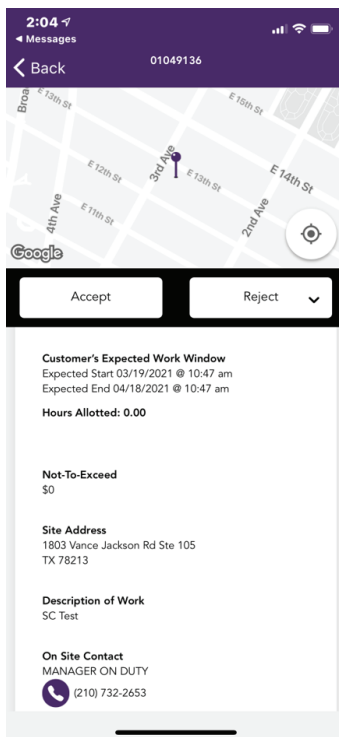

- Real-time communication, in **ONE** place without calls, emails or texts
- Faster quoting - completed and submitted via the app
- Speeds up submission of all required documents - reduces paperwork
- Speeds up check in/out process
- Eliminates the need to use **multiple** applications and methods to IVR
- Expedites communication, photo submissions, updates and invoicing
- Streamlines workorder management - easily assign work to field technicians

The Affiliate Connect app will significantly improve the speed and efficiency of workorder management, making the entire process simpler for you.

How it WORKS

A few key screenshots from the app.
